**Re: Ex Parte Presentation in GN Docket No. 09-191, *Preserving the Open Internet*;
WC Docket 07-52, *Broadband Industry Practices***

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, DISH Network L.L.C. ("DISH") submits this letter summarizing a telephone call on Monday, December 13, 2010, between Jeffrey Blum, Senior Vice President and Deputy General Counsel of DISH, and Louis Peraertz, Legal Advisor, Wireless, International, and Public Safety to Commissioner Mignon Clyburn.

During the telephone call, DISH expressed its support for strong Open Internet rules, and provided several examples from the record of wireless applications that potentially could be blocked under the proposed wireless blocking rule reported to be under consideration for adoption at the upcoming Commission Open Meeting.

Respectfully submitted,

/s/ Alison Minea
